HELD DURING WORLD HEALTHCARE WEEK 2027

Dubai Healthcare Executive Trade Mission

JANUARY 24 TO 30, 2027 · DUBAI, UAE

One week in Dubai with the world of healthcare, and private access across the city.

Built Around the Largest Week in Global Healthcare

In January 2027 the global healthcare industry gathers in Dubai for World Healthcare Week, WHX and WHX Tech: 4,200+ exhibitors, 90,000+ healthcare professionals and 195+ countries, according to WHX. The Dubai Healthcare Executive Trade Mission is built around that week. Delegates take part in WHX and WHX Tech in full, and the mission adds a private program of briefings, curated meetings and receptions across Dubai.

PROVEN DELIVERY

February 2026: a Dubai Ventures healthcare and life sciences delegation to Dubai during World Health Expo. September 2026: 22 executives from 18 companies and 6 countries on the Dubai Executive Trade Mission.

Also delivered: DIFC New York Roundtable (October 2026); Executive Mission to Riyadh (November 2025); Real Estate Executive Mission to Dubai (2025).

How It Works

01 Discovery Call
A 30-minute call to confirm the mission is the right fit for your objectives. Where it is, you receive a working outline for your week within 48 hours, built from the call.

02 Approval and Onboarding
We confirm your place against the mission criteria within five business days. Your seat is confirmed on payment.

03 Strategy Session
Once onboarded, a working session with our team to finalize the outline: your targets, the counterparties we pursue for you and the briefings and introductions built into your week.

Start with a Discovery Call.

30 minutes, private, no obligation. We confirm fit, answer your questions and tell you whether the mission is right for you.
